

EXPOBAR ZIRCON

A strong brand of Crem International

www.creminternational.co.uk

Zircon

The ZIRCON range was created to cover all possible environments from where great coffee is required to be served. Models offered start from the super space conscious 1 group featuring an integral grinder, going right through to a 3 group espresso powerhouse. Regardless of the model, you can be assured that all are built using the well-known and trusted Expobar technology, expertise and craftsmanship. In other words, you are guaranteed machines of the highest quality that makes the barista's work much easier.
